SCRIPT	BACKUP
<p><b>Barack Obama:</b> I’m Barack Obama and I approve this message.</p> <p><b>Duffy Lyon:</b> I’m Duffy Lyon... my husband and I raise dairy cows and beef cattle here in Iowa. But you might remember me as the state fair’s Butter Cow Lady.</p> <p>You know, you see a lot of manure in our line of work. It’s a lot like politics. You got to know what’s bull and what’s for real.</p> <p>Barack Obama’s got a real plan for rural America.</p> <p>And it’s gutsy because it looks out for us, not lobbyists. It ends huge payments to factory farms that drive family farms out of business and gets rid of income taxes for most Iowa seniors.</p> <p>But the best part is he listened and knows our kids need opportunity here in Iowa so they don’t have to leave home to follow their dreams.</p> <p>Even if that dream is 500 pounds of butter shaped like a cow.</p> <p>Barack Obama. He’s change we can believe in. And that’s no bull.</p> <p><b>ANNCR:</b> Paid for by Obama for America.</p>	<p style="text-align: center;"><b><u>BARACK OBAMA’S RURAL PLAN</u></b></p> <p><b>I.
